

EARLY CHILDHOOD DEVELOPMENT AAS

The Early Childhood Development associate of applied science degree is a 60-credit option that prepares students with necessary skills to be qualified for a variety of early childhood positions. The program emphasizes observation, assessment and planning of curriculum activities to support cognitive development, fine/gross motor physical development, social and emotional development, language and literacy development, and self-help skills of children birth through age eight. Credits earned while completing the educational requirements for the AAS articulate directly into the LC State General Studies: Education BA/BS degree option offered through the Teacher Education Division.

The AAS degree offers basic early childhood education which prepares students for careers in the following areas:

- Early childhood assistant teacher
- Lead teacher position in private childcare facilities
- State quality systems consultant
- Parent educator
- Home-based education service provider
- Resource and referral specialist
- Special education teaching aide

Entry into the AAS degree option requires students to work with children at approved internship settings. Students enrolling in this program must complete an application packet including:

- ECD Program Application
- Criminal Background Check and Fingerprinting
- Current Certification in Pediatric CPR/First Aid
- TB Clearance
- Proof of a Physical Exam

Students will not be allowed to register for Early Childhood Development Program coursework beyond the first semester without a completed and submitted application packet. Instructions for completing the application packet will be provided by the program advisor.

Upon completion of this degree, students will be able to:

- Establish and maintain a safe, healthy learning environment
- Advance physical, intellectual, and linguistic competence
- Support social and emotional development and provide positive guidance for young children
- Foster positive and productive relationships with families and the community
- Ensure well-run, purposeful programs responsive to participant needs
- Maintain professionalism and ethical conduct

Completion of a Technical Skills Assessment is required
