

INTERDISCIPLINARY STUDIES AAS

This 63-credit Interdisciplinary Associate of Applied Science (ID_AAS) degree allows students to explore two different areas of study (each area of concentration will have a minimum of 24 credits) and acquire 15 of the 37 general education credits that could transfer into a four-year Bachelor of Applied Science degree one or both areas of concentration. This degree is also an exit point in CTE programs, and a strategic entry point for undecided CTE students as they enter college.
